PRESIDENTS' MESSAGE

Welcome everyone to a historic 91st year of Fallbrook Garden Club. We are anticipating the renewal of a full year of activities and ready to enjoy monthly programs, educational workshops, creative projects and community involvement. Won't it be refreshing to share experiences with the friends we've made and to meet a large group of new members who will contribute their ideas and vitality to the Club!

Enthusiasm is evident in the large number of members who have volunteered to open their gardens for informal tours known as Coffee in the Garden. Enjoy seeing unique gardens and learn about different ideas and approaches to creating your own garden. This year we have at least six different gardens to visit from October to June.

Plans are underway for The Garden Tour and Plant Sale in May which is our major fundraiser. It is a tour of private home gardens arranged by the Club and offered to the general public. We also have a large selection of plants for sale propagate by our members. The event demonstrates how much can be accomplished by a group of hard working volunteers.

Numerous community projects are in need of our support too. Recently we have undertaken the design and maintenance of a natural space which surrounds a magnificent sculpture named "Le Tuc". It is part of a community of beautiful sculptures residing in Palomares Sculpture Park. There are plans to expand the area to include a butterfly garden.

By now you have a sample of our range of ideas and endeavors. The list goes on to include workshops, creative projects, wildlife preservation and conservation. There is an area of interest or opportunity for everyone.

Projects are numerous but each in their own way strives to fulfill the objectives that were originally advanced by the National Garden Clubs, Inc. and have been passed on and enhanced by the thousands of affiliates throughout the country.

The effort and commitment to achieve these goals is considerable but history has demonstrated how much can be accomplished if everyone contributes to the best of their ability. Through volunteering, we can learn, inspire, beautify, grow and protect our world. Thank you for joining us for a year of planning and planting for the future.

CLUB PROJECTS & ACTIVITIES

MEMBER EDUCATION

COFFEE IN THE GARDEN: Individual members open their gardens for informal tours by Club members. The Club provides light refreshments.

NEW MEMBER ORIENTATION: The Board hosts a social event to welcome and acquaint new and prospective members with Club activities and volunteer opportunities.

STUDY GROUPS & WORKSHOPS: Informal, hands-on sessions that enable members to increase their knowledge of horticulture, floral design, wildlife, and other garden-related topics.

1. Cacti/Succulent
2. Garden Art
3. Herbs
4. Roses

TOURS & FIELD TRIPS: Periodic visits to public or private gardens, nurseries or other garden-related facilities throughout the area, give members the opportunity to visit exotic and interesting venues and further their knowledge of horticulture, landscaping, commercial agriculture, wildlife and environmental issues.

COMMUNITY BEAUTIFICATION

ADOPT-A-ROAD: The Club has adopted two streets to keep clear of trash, McDonald Road and Gum Tree Lane. Volunteer crews of ten to twelve members work one day on alternate months or as needed.

LIVE OAK PARK GARDENERS: Volunteer crews of four to eight members work one day per month tending to the native plants garden.

SEASONAL SPLENDORS: The Club provides landscaping support and seasonal flowers that members plant and maintain in large permanent containers located at the entrance to the Fallbrook Senior Center.

LIBRARY GARDENS: Volunteers work one or two days per month tending to the container plantings located in the two outdoor patios at the Fallbrook Library.

MEMORIAL DAY FLOWERS: Members contribute flowers and arrange bouquets on Memorial Day morning. More than fifty bouquets are created and taken to the Masonic Cemetery and made available for visitors to place on graves.

COMMUNITY OUTREACH

ARTS IN THE PARK: Hosting a booth at the annual children's festival.

YANA (Sheriff's Volunteer Program): Members create beautiful succulent topped pumpkins for the fall season for shut-ins in the community. The gifts are distributed by the Senior Volunteer Patrol.

FLOWER SHOW: A flower show is held in Spring in odd numbered years (alternating with the garden tour). All members participate in set up/clean up and/or entering exhibits. Nonmembers are encouraged to enter flowers for exhibit and competition. The event is the Club's "gift" to the community.

GARDEN TOUR: In even numbered years (alternating with the flower show) a tour of private home gardens in the Fallbrook area is arranged by the Club. Proceeds benefit the scholarship fund, community service efforts, and the general fund.

NATIONAL GARDEN WEEK: Members promote observance during a week in June and bring public attention to garden clubs and gardening through specially planned activities.

PENNY PINES: California Garden Clubs, Inc. adopted Penny Pines as a state project in 1957 and FGC joined the program in the 1960s. Pocket change is collected from members at the General Meetings. For every \$68.00 collected, the funds are sent to the U.S. Forest Service and used for restoration of one acre of land in the Cleveland National Forest, San Diego County.

SCHOLARSHIPS: Memorial donations and club fundraising projects support scholarships for students currently enrolled in local area schools pursuing degrees in horticultural or agricultural related fields of study. Donations may also be made to local school garden programs.

FALLBROOK FUTURE GARDENERS: Four youth/family community outreach activities per year.

WAYS & MEANS

BIRTHDAY RAFFLE: Each member is asked to donate a plant or garden-related item for the raffle at General Meetings held during their birthday month.

GREEN THUMB TABLE: Plants, bulbs, seeds, and produce donated by members are sold at General Meetings. Members bring their labeled donations to monthly meetings.

PLANT SALE & RAFFLE: Plants and garden-related items donated by members and local merchants are sold and/or raffled during the annual Flower Show and/or Garden Tour. Proceeds help defray cost of the flower show, benefit community service efforts, and the general fund.

SPECIAL EVENT:

In 1994 the club placed a Blue Star Byway Marker in the Village Square (just behind the flagpole) in the center of the Fallbrook Veterans Honor Roll Wall. It is one of 16 memorials and markers in San Diego County. For information on the Blue & Gold Star Memorial program go to:

MEMBER OF THE YEAR

The Lyle Family

Members since 2012

We don't have to tell you the last year has been an interesting one. Despite or because of this, it was a special honor to hear that our family had collectively been named "Member(s) of the Year". We thought, to commemorate the moment, we'd write a little piece about our Garden Club activities. Jessica and Julia normally run the Rose Study Group - we took a hiatus from physically getting together, however, we answered questions posted on the website, social media and blogs.

The biggest project this year was finally installing an art bench at Live Oak Park and putting in native plants around it. If you go to the far northeastern corner of the park, past the baseball fields, and over a wooden bridge, you'll find a shady corner. Formerly overrun with invasive weeds and poison oak, it's now a beautiful place to stop and rest, enjoying the sound of the creek and the chatter of birds. We continue to maintain, toting over jugs of water in a wheelbarrow from the nearest faucet until the plants are well-established in a year or two.

The other big planting project was at the Palomares House Wildlife Sculpture Garden. The Fallbrook Land Conservancy requested help from the Garden Club establishing part of a native plant garden there. With the invaluable help from others, a similar selection of native plants that are at Live Oak Park, now thrive around a lithe statue of a mountain lion. Save Our Forest requested help years ago from the Club to maintain a block of the Pico Promenade downtown. Our family volunteered and has trimmed trees, weeded, watered, and cleaned up litter along the pleasant pathway ever since. At all three of these locations - park, sculpture garden, promenade - there are Mexican Sages that were donated by other members of the club. Jim helped them dig some out, separated one (1) into thirty (30!) starters, and found them new homes in these public projects.

Jim still heads the Club's Adopt-A-Road effort along 4 miles of Gum Tree Lane and McDonald Road. Volunteers look after 1/2 mile sections each. We have future goals and projects in mind alongside the maintenance of our current ones, but for now, that's all.

Happy gardening from Jim, Jennifer, Julia, Jessica & assorted animals
